

PETER JACOBSON APPRECIATION DAY

BY THE PRESIDENT OF THE NEW YORK CITY SECTION OF THE
ILLUMINATING ENGINEERING SOCIETY

A PROCLAMATION

WHEREAS, this date shall be known henceforth as Peter Jacobson Appreciation Day.

The IESNYC is a volunteer professional membership organization comprised of individuals who share a mutual appreciation for and fascination with all things lighting. We are dedicated to promoting both the art and science of illumination to our members, to other professional organizations, to the industry, and to the public through inspiring events, informative programs, educational series, and great networking opportunities.

Peter Jacobson is a true and dedicated member of the IES for more than 25 years. He promoted technological innovation in the lighting industry through his long service to the IES Progress Committee.

Peter is an exemplary leader, demonstrated by skilled services on the New York City Section Board of Managers for more than two decades. His wisdom and institutional memory have aided perhaps a dozen IESNYC presidents. In 2014 he was named Member of the Year for exceptional hard work to tirelessly support the section's efforts. Prior, he earned the 2011 IESNYC Meritorious Award and the 2004 IESNYC Section Service Award.

Keeping an eye to the future of the lighting industry, Peter served the Richard Kelly Grant Committee, the Scholarship Committee, and the Nominations & Awards Committee. His assistance as the IESNYC Section representative to the Building Energy Exchange promoted lighting as integral to a sustainable future defined by a radical transformation of the built environment.

NOW, THEREFORE, I, MIKE BARR, President of the New York City Section of the IES, do hereby proclaim May 20, 2021, as Peter Jacobson Appreciation Day. I encourage all IESNYC members to recognize Peter as an IESNYC Section champion.

IN WITNESS WHEREOF, I have hereunto set my hand this twentieth day of May, in the two thousand and twenty-first year of our Lord, and the two-hundred and forty-sixth of the Independence of the United States of America.
